ISTANBUL AYDIN UNIVERSITY

STUDENTS' TOP CHOICE IAU is the most-preferred university by Turkish students in the central placement test for bachelor's programs. IAU is also preferred by international students.

FOCUS ON COMPETENCY IAU emphasizes professional competency in its teaching. Students have internships integrated into their curricula and on-the-job-training opportunities through the many industry partnerships of IAU.

TECHNOLOGICAL CAMPUS IAU has engineering and health sciences laboratories equipped with up-to-date technology, as well as art and design workshops and studios. It has an online student registration and information system. Every classroom is equipped with smart boards and podiums.

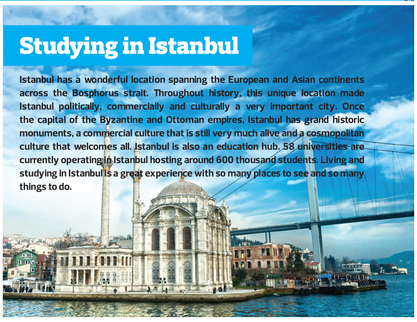
INTERNATIONAL UNIVERSITY IAU has an international campus with around 3500 international students from 102 countries. IAU offers numerous study abroad opportunities to all its students at its partner universities abroad.

COMPREHENSIVE UNIVERSITY IAU has academic programs at prebachelor's, bachelor's, master's and doctoral levels covering most disciplines.

CITY UNIVERSITY IAU's main campus in Florya offers easy access to the many social and cultural activities in Istanbul through public transportation.

Studying in Istanbul

Istanbul has a wonderful location spanning the European and Asian continents across the Bosphorus strait. Throughout history, this unique location made Istanbul politically, commercially and culturally a very important city. Once the capital of the Byzantine and Ottoman empires, Istanbul has grand historic monuments, a commercial culture that is still very much alive and a cosmopolitan culture that welcomes all. Istanbul is also an education hub. 58 universities are currently operating in Istanbul hosting around 600 thousand students. Living and studying in Istanbul is a great experience with so many places to see and so many things to do.



About IAU

Istanbul Aydın University (IAU) is a non-profit and state-recognized Foundation university. It was established in 2003 offering vocational programs of higher education. It became a university in 2007, delivering bachelor's and graduate programs. The university has grown rapidly, opening new faculties, increasing the number of its student and staff. IAU now offers a wide range of academic programs in order to meet the demands of the labormarket in the global economy.

IAU INTERNATIONAL

İstanbul Aydın University is committed to internationalization of its student body and academic programs. IAU Directorate of International Relations is responsible for managing and developing international activities. Various offices under the directorate run student exchange programs such as Erasmus+ and Mevlana, study abroad programs, international summer and winter programs, full-time student recruitment activities, international student support services, and Turkish-language courses for international students.

ERASMUS+ AT IAU

- Istanbul Aydin University has a long-established tradition of welcoming Erasmus+ students from universities all around the word onto our programmes. Our established links with over 250 Erasmus+ partners widens opportunities for students and staff.
- Erasmus+ Program supports worldwide university cooperation, thus allowing staff and students to conduct research, teach or study and get training in one of IAU's numerous prestigious partners around the World.
- Our Florya Campus offers contemporary study facilities, support services, cafeterias and entertainment in one of the most attractive university campuses in Istanbul.
- IAU offers you a wide range of subjects at the associate vocational, undergraduate and graduate levels, with ECTS credits that you can easily transfer back to your degree program at your home University. ECTS information package: **http://ebs.aydin.edu.tr/**
- Nominated students can opt to study at IAU for either one or two semester dependent on the terms and conditions of the inter-institutional agreement between our Universities with entry points in September and February.
- We will provide comprehensive administrative, academic and welfare support for the duration of your Erasmus+ study and traineeship period. There is a full orientation program upon arrival with sessions and free of charge Intensive Turkish language courses specifically designed for Erasmus+ incoming students. Moreover, you have the possibility of continuing with your free of charge Turkish language courses during your stay at IAU.

Application Deadline

Most preferred foundation university in Turkey...

Our unique combination of industry links, internationally recognized contemporary programs and outstanding technologies make IAU the leading and the largest foundation university in Turkey. IAU is established to produce an inquisitive, educated and innovative population that is focused and driven to succeed. With the biggest Technology Center in Turkey established in one complex, university hospital, notable Social Sciences Research Centers, Incubation Center and the curriculum-as experience approach, IAU is open for research in Engineering, Social and Medical Sciences, exchanges of innovative practices and students and staff mobilities. We invite students to discover their path towards a bright future by joining our programs as well as international universities to become part of our family in our quest for educating tomorrow's generation.
