

STUDY ABROAD

A World of Opportunities

ISTANBUL AYDIN UNIVERSITY

STUDY ABROAD OPTIONS

2014-2015

We have 4 different options for you to study abroad;

- ❖ Vancouver, Canada -Pera College Language School
- ❖ London, England – Edgware Academy Language School
- ❖ San Diago California, USA – California International Business University
- ❖ London, England – Regents University

All your grades and your attendance percentages will be calculated according to our university system.

No need to worry! 😊

Progress of a student studying abroad

- Joining a Study Abroad program is going to improve you **academically, personally** and **socially**.

- You will be able to improve your **English Language skills**, make new **friends** and **observe another culture!** You can even taste their **local food!**
-

- It will increase your chances to find a **better job** or have a **better career**.
- You can do your **Masters Degree** or **PhD** abroad.
