

LCI Barcelona | School of Design and Visual Arts
offers **10 Scholarships** for international Master's Programs in [Interaction Design and Immersive Experiences](#), [Fashion, Communication and Event Planning](#), [3D Animation and VFX](#), and [Branding and Brand Strategy](#)

Creativity, curiosity, and sensitivity are hallmarks of our character and our design. By embracing new ideas, modern concepts, and a deep respect for tradition and the environment, we can collectively strive for a better world for all. Now, you have the chance to embark on a meaningful journey to shape that future, thanks to LCI Barcelona, School of Design and Visual Arts, the most globally renowned institution for design and visual arts in the Catalan capital with its network of 23 campuses spanning across five continents.

The school invites you to participate to the contest "**Design for planet centered and human future**" and win one of the **10 master scholarships** for those aspiring to pursue a full-time Master's program in [Interaction Design and Immersive Experiences](#), [Master in Management and Direction of Fashion Companies](#), [Master in Fashion Marketing, Communication and Event Planning](#), [Master in 3D Animation and VFX](#), and [Master in Branding and Brand Strategy](#)

Use the design tools and our guidance below, your independent and qualified point of view to propose solutions to make the world better for the planet and humans through a new perspective. **Candidates should** use their own expertise and creativity to **design a prompt - text + visual or video** - connected with the theme and develop a concept **with the help of AI that can contribute to design a better world.**

Your innovative solution could potentially earn you a 100% or 50% scholarship – covering tuition fees - to **pursue a full-time 2024-2025 academic year of the Master's degree of your choice at LCI Barcelona.**

The **contest is open** to all candidates aged between **21 and 44** years in possession of a bachelor degree or equivalent qualification.

Participate now and **submit your project by April 7, 2024**
