#### Insan Aracı Zamanla Amaca Ceviriyor

■ Teknoloji bağımlılığı kısa vadede değil uzun vadede kendini gösteriyor. Biz buna 'davranışsal bağımlılık' diyoruz. Örneğin cep telefonu zamanla vücudumuzun bir parçasına dönüşmeye başlıyor. Bizim için araç olan şey yavaş yavaş amaca dönüşüyor. Sonrasında insanlar kendilerini kontrol edemedikleri bir duruma geliyorlar.

360 videos of "Digital Gaming Platforms" presented by Kaan Umut KARAASLAN and İlkim PALANTÖKEN, New Media and Communication Department student and New Media expert candidate at İstanbul Aydın University.

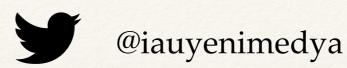

RATEM will hold its 11th edition this year "An Idea Has Come to My Mind The applications for the Inter-University Communication Ideas Competition" have started.
