**NOMINATION:** The IAU Erasmus Office informs the host institutions about the students selected. Nominations can be done by us via e-mail or automation systems.

**APPLICATION :** Students who have completed the Nomination process are required to prepare the documents requested by the institution they will be visiting under Erasmus+ Programme. Students need to submit them (online, mail, mail, etc.) before the deadline imposed by the host institution.

Required documents may differ from institution to institution.

Each institution has a set deadline for the application process! Because you have not completed your application even if your nomination process has been made, or because your application has not been accepted you may not be able to benefit from the activity.

IAU cannot be held responsible for the students not being accepted after their application.

The following documents may be requested from students:

▶ Signed Application / Registration Form (Application / Registration / Enrollment Form)

Signed Learning Agreement;

Language Certificate; Passport / Visa / Residence Permit (Passport / Visa / Residence Permit);

Health Insurance;

Dormitory application form (Accommodation Form);

Transcript of Records; Student Certificate etc.

## Documents Needed Before The Mobility- Learning Agreement

Please check the course catalog on the website of the host university for the courses you can take after your nomination is made. If necessary, contact the Erasmus coordinator of the other institution for the most up-to-date course list possible.

You must have collected the necessary information about the courses at the host institution in order to submit it to your Erasmus Department Coordinator at IAU. Do not forget that details such as which language the courses will be taught in, how many ECTS (ECTS / credits) they correspond to, are also important.

Please consult your Erasmus + department coordinator during the course selection and matching phase and in the preparation of the Learning Agreement.

In order to match your courses at IAU, you need to take 30 ECTS courses for one semester at the host institution.

The format of the learning agreement can be found at this link: <https://www.aydin.edu.tr/en-us/international/erasmus/outgoing-students/Pages/DOCUMENTS-FOR-OUTGOING.aspx>

## Health and Travel Insurance

- Istanbul Aydın University /Turkish National Agency or the host university you will go to are not responsible for the expenses that may arise in case of any accident, illness, etc. you may encounter during your Erasmus mobility.
- You must have a comprehensive travel and health insurance.
- Your travel and health insurance policy should be arranged to cover the date range you will be abroad.
- The Policy coverage should be a minimum of 30,000 Euros.
- We recommend that the policy be purchased after obtaining precise information about the coverage it provides, especially in case of epidemic diseases.

# EURO Bank Account- just for Granted students

Your grant will be transferred to you from our **Yapı Kredi Bank account**.

International students who might not be able to open the EURO bank account in Yapı Kredi can provide us with a different EURO bank account which they have opened at different Turkish banks.

Find out if the bank you have opened an account has a branch in the country / city you are going to, or another common bank that it cooperates with and find out the money transfer transaction fees and times.

The Bank account must be opened in a bank in your own name and from Turkey.

We also recommend that you open a joint account. In this case, your passbook should have your own name and surname in the first place and the name and surname of your relative / family member you want to have access to the account in the second place.

When you want to withdraw the amount in Euro from your account in the country you are visiting, it is important to know from which bank you have the less or no withdrawal commission. This situation may vary from country to country and our students are expected to do the necessary research on this subject.

Online Linguistic Support

**Students need to  
send the OLS  
results to  
erasmus@aydin.e  
du.tr**

Please note that if you obtained a score of C1-C2 in your first language assessment, you will not have to take a final assessment. You will therefore not receive an invitation to take a final assessment.

The overall level obtained in the language assessment (English) is: C1 according to the [CEFR](#).

**C1**

You can understand long, complex speeches and texts and identify implicit, abstract and finer shades of meaning.

Your detailed English language levels in the assessed language competences are:

**Reading Comprehension - B2**

You can read articles and reports concerned with contemporary problems in which the writers adopt particular attitudes or viewpoints. You can understand contemporary literary prose.

**Listening Comprehension - C1**

You can understand extended speech, including idiomatic and dialectal jargon, even when it is not clearly structured and when relationships are only implicitly and not explicitly expressed. You can understand televised programmes and films without too much effort.

**Grammar - B2**

You understand relatively complex grammatical structures and the relationship between ideas as indicated by high level connecting devices.

**Vocabulary - C1**

Your good command of vocabulary on a broad range of general, academic, professional and leisure topics enables you to understand most written texts.

**Key Communicative Phrases - C1**

The overall level obtained in the language assessment (English) is: **C1** according to the [CEFR](#).

### C1

You can understand long, complex speeches and texts and identify implicit, abstract and finer shades of meaning.

Your detailed English language levels in the assessed language competences are:

#### Reading Comprehension - C2

You can read with ease virtually all forms of the written language, including abstract, structural or linguistically complex texts such as manuals, specialized articles and literary works.

#### Listening Comprehension - C1

**Students with a Green Passport must also obtain a visa.**

**Visa processing procedures may vary over the years according to countries, foreign missions and consular staff.**

**It is our students' responsibility to learn the most accurate and up-to-date information about the documents and procedures required for visa application from reliable primary sources.**

## MATTERS NEEDING PARTICULAR ATTENTION

Nomination procedures of students is done by our Erasmus + Office.

Any E-mails sent by the student to the host institution before the nomination are not accepted.

It is the student's responsibility to follow important dates such as nomination dates and deadlines.

It will be useful for the student to obtain information about the host institution such as accommodation conditions / deposit and required documents.

# MATTERS NEEDING PARTICULAR ATTENTION

## COURSE SELECTION AND COURSE RECOGNITION

**Students must take at least 30 ECTS of course load at the host institution.**

**After the mobility, our university will provide full academic recognition for all successful / unsuccessful ECTS credits corresponding to the education program followed by the student at the host institution.**

**Accordingly, at the end of the student activity, the courses for which the student has been successful at the host institution are deemed successful at our university, while the failed courses are to be repeated at our university by taking them again.**

## **MATTERS NEEDING PARTICULAR ATTENTION GRANTED/ NON GRANTED STUDENTS**

If a candidate from the list of students with a grant gives up his / her Erasmus + right, the grant allocated to that student is presented to the first candidate in the list of non-grant students according to his / her success score.

Candidates in the list of non-grant students can carry out Erasmus + activities without a grant, or they can give up their Erasmus + rights by informing our Erasmus + Office with a petition.

Withdrawal petition link:

<https://www.aydin.edu.tr/en-us/international/erasmus/outgoing-students/Pages/DOCUMENTS-FOR-OUTGOING.aspx>

Erasmus + students without grant may be eligible to receive a grant as a result of waivers. If such a situation occurs, they are informed by e-mail by our Erasmus + Office.

Even without a grant, the student's participation in the Erasmus program at the same level of education cannot exceed 12 months.

Existing grants will be allocated from our 2020 KA 103 project. GRANTS ARE ALLOCATED FOR A SINGLE TERM.

The grant will certainly not be sufficient to cover all your expenses.

The grant calculation is made on the dates in the invitation letter before the student leaves.

When the student returns, the total grant is recalculated, taking into account the dates and the success status in the Confirmation of Stay document, and the remaining amount may vary accordingly.

It takes about 30 working days to complete the payment process for an Erasmus file that does not have a document missing, therefore it would be appropriate for our students who will perform Erasmus mobility in the Fall and spring semester to take measures on monetary matters.

# MATTERS NEEDING PARTICULAR ATTENTION

## ERASMUS EXTENSION PROCEDURE

Erasmus + students who go in the fall semester can extend their mobility to the spring semester in the same academic year.

For this, the student must follow the nomination dates for the spring semester and contact the IAU Erasmus + department coordinator until the deadline given, to finalize the course matching and get the approval of the university they are in.

Students who wish to extend their Erasmus + Learning Mobility to the 2nd semester are required to send the "Erasmus + Mobility Extension Form" available on our website and their LA to [erasmus@aydin.edu.tr](mailto:erasmus@aydin.edu.tr).

Students who will extend their Erasmus + Study Mobility are obliged to prepare all their documents for the Spring semester as they did for the Fall semester.

## MATTERS NEEDING PARTICULAR ATTENTION VISA APPLICATION RESULTS

Visa is one of the documents that our students must submit to our Coordinator before going abroad for Erasmus + education.

If our students are informed by the relevant consulate that their visas can be issued a few days before the planned departure date, they must reach our Coordinatorship via e-mail as soon as they receive their visas and share them with us. (erasmus@aydin.edu.tr)

As our office, we work with a busy schedule. For this reason, if the finalization of your visa application is delayed, in case you receive your visa late, your Erasmus + contract can be prepared by e-mail and signed by you .

## MATTERS NEEDING PARTICULAR ATTENTION

### İAU Registration, Fees and Scholarships

As a full-time student at Istanbul Aydın University, your scholarship will not be interrupted; in the same time, you are obliged to re-register and pay your tuition fee for your Erasmus + period before leaving abroad; otherwise you will not be able to benefit from the Erasmus+ scholarship.

Erasmus students **WILL NOT ENROLL FOR COURSES AT IAU** during their Erasmus study mobility abroad regardless if it is conducted online or face to face abroad.

**REGISTRATION FREEZING IS NOT** allowed during the mobility.

**YTB scholarships of students with YTB scholarships are terminated during their Erasmus mobility. Nevertheless, those who will participate in the mobility must submit a petition to the Erasmus office. However, there is no obstacle to receiving the Erasmus grant.**

The host university cannot request any registration, exam or tuition fee from the student who comes under the Erasmus + Program. However, an additional payment may be requested for the use of various materials such as photocopy of insurance; academic materials, use of laboratory products.

## MATTERS NEEDING PARTICULAR ATTENTION

It is important that you decide together with your family, taking into account the financial aspect of the process and the course of the epidemic in the country you are going to, and inform your family members correctly.

You should be aware of the fact that you have to fulfill many bureaucratic procedures before your departure within the scope of Erasmus +, especially during the visa application process, and you should be ready for this.

You can use the time before your departure to improve your foreign language skills and, if possible, by saving money.

## Corona Virüs (Covid-19) Salgınının Döneminde Erasmus+ Hareketliliğinden faydalanmak

You should take into account that the course of the pandemic and the decisions of the relevant institutions during the pandemic process will be decisive for your mobility.

If the institution where you are placed have a decision that they will not accept students in the spring semester, it will not be possible to actualize the mobility. The decisions of institutions on this issue differ.

Check the Erasmus + page of the institution you will go to, make sure to contact your Erasmus + Department Coordinators and learn what to do in this process.

The realization of the mobility depends on the decisions of national authorities in our country (YÖK and National Agency) and in other program countries.

Placed students are under candidate status until their nominations is accepted by the host institution and until they obtain their visa.

We recommend that you follow further developments regarding the next process on our website.

## Erasmus in times of Corona Virüs (Covid-19)

### Attention!

Finally, I acknowledge that the responsibilities of all financial or moral problems (visa, travel, accommodation, higher education institution / institution abroad and in other cases) due to the COVID-19 pandemic process belong to me. I accept that my statement is correct and that I will not hold Istanbul Aydın University and Erasmus + Office responsible for the problems that may arise due to the COVID 19 outbreak, and I understand that I will be covering all the financial aspects that may arise to me with regard to possible problems appearing due to COVID-19 pandemic.
