International Winter School Program

The 2026 Istanbul Winter School was recently successfully completed with the participation of students from Georgia, led by our faculty members from the Departments of Endodontics, Periodontology, and Prosthodontics.

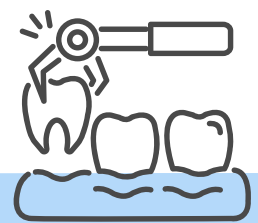

We are proud to have hosted this international exchange of knowledge. We would like to express our sincere gratitude to Fanta company for their support of the program, and to our esteemed Dean, Prof. Dr. Şeyde Hergüner, along with our Vice Deans, Prof. Dr. Dilara Arslan and Prof. Dr. Didem Öner Özdaş, for their invaluable leadership in making this course possible.

Conferences

Faculty members of our School, Prof. Dr. Sabri Hasan Meriç and Prof. Dr. Mustafa Tunaya, have been meeting with students at various educational institutions since last year and delivering seminars on university life, academic career, and success in life. In this context, they met with students at MBA Science High School Beylikdüzü on February 20, Bahçelievler Cumhuriyet Anatolian High School on February 25, Bahçelievler Career Days organized by the District Directorate of National Education on March 26, 2026, and Maltepe Science High School on March 27, 2026. These seminars became productive exchanges that contributed to the academic and personal development of young people. In addition, on the 14th and 15th, they met with university students in Kayseri at the 1st Dentistry Student Congress of Nuh Nuri Yazgan University, where they delivered their presentation titled “Life Lessons from the Toolbox.”

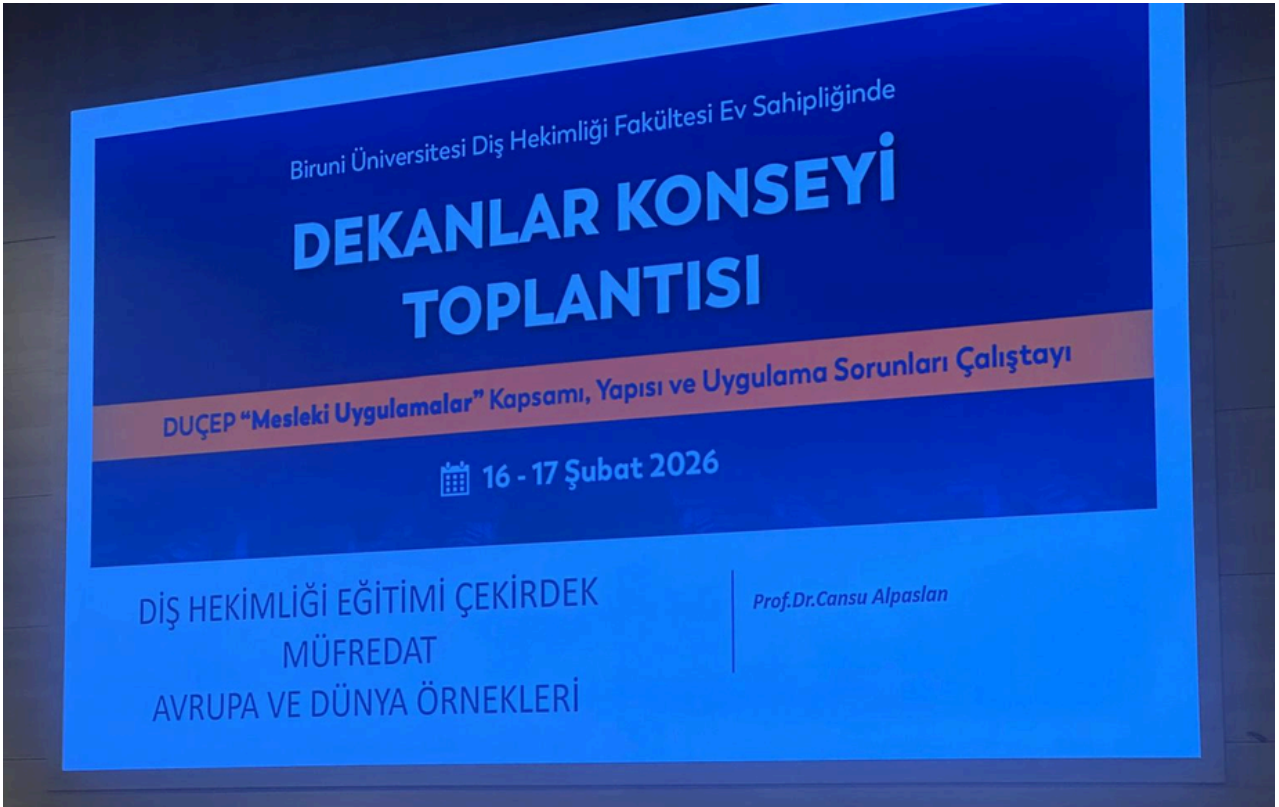

Conferences

Meeting

Our Dean, Prof. Dr. Şeyda Hergüner Siso, and our Vice Dean, Assoc. Prof. Didem Öner Özdaş, attended the Council of Deans Meeting and the Core Professional Curriculum Workshop held on February 16-17.

On February 25, oral and dental screening activities were carried out for children with disabilities aged 5-15 within the scope of Zeytinburnu Municipality AKDEM; and with the cooperation of the Küçükçekmece City Council, similar activities were organized for students at Tema Primary School on February 13 and Nasreddin Hoca Primary School on February 6. These events were conducted with the participation and support of the Mustafa Aydın Foundation, our Faculty of Dentistry students, and academic staff. We would like to thank everyone who contributed voluntarily to these meaningful events.

Orientation Training

On February 11, 2026, an Orientation Training was held for the first-year Turkish group by Asst. Prof. Dilek Mamakliođlu and Asst. Prof. Sevgi Zorlu. A second session was also organized for the students who could not attend the first event, as well as for the English group.
