## PharmAydın Club Organized a Seminar Titled “Facts About HPV and Cervical Cancer”

On March 3, 2026, at 13:30, an informative seminar titled “*Facts About HPV and Cervical Cancer*” was organized by the PharmAydın Club of our Faculty in the Purple Hall of T Block, within the scope of March 4 International HPV Awareness Day and March 8 International Women’s Day. Prof. Dr. Hediye Dağdeviren, a specialist in Obstetrics and Gynecology and In Vitro Fertilization (IVF) Services, participated as the guest speaker and shared valuable information on HPV infection and cervical cancer. Within the scope of the event, particular emphasis was placed on the importance of early diagnosis and regular screening, the role of the HPV vaccine in preventing cervical cancer, and common misconceptions about HPV in society.

## The 8th Talk of the “Difference Makers Academy” Was Held

The eighth session of the “**Difference Makers Academy**” program, chaired by our Dean Prof. Dr. Ayşe Nurten Özdemir, was held on Tuesday, March 24, at the Purple Hall of T Block, with the participation of Gaziantep Metropolitan Municipality Mayor Ms. Fatma Şahin. In her talk titled “*From Dreams to Reality*,” Ms. Şahin delivered an informative and inspiring speech addressing the understanding of municipal governance in the “Century of Türkiye,” the development initiatives of Gaziantep, the impact she has created in social municipalism, and the critical role of local governments within the national vision. Following the talk, Ms. Şahin answered students’ questions and expressed her support for developing joint projects in the name of sustainability.

## Pharmacy Department Introduction Workshops Held within the Scope of Bahçelievler District Directorate of National Education Career Days

Within the scope of the Career Days event organized by the Bahçelievler District Directorate of National Education, workshops focusing on the field of pharmacy were held on Thursday, March 26. As part of the event, Assist. Prof. Dr. Gizem Sena Elagöz, a faculty member of the Faculty of Pharmacy, met with students in three separate sessions within the pharmacy workshop and introduced the pharmacy profession. During the workshop, information was provided on the professional fields of practice, career opportunities, and professional development processes. The event, which attracted significant interest from students, also included a Q&A session where participants' questions were addressed. At the end of the event, two saplings were planted on behalf of Assist. Prof. Dr. Gizem Sena Elagöz by the Bahçelievler District Directorate of National Education, and a certificate was presented.

## “PharmAydın” Student Club Project Awarded 2026 UNIDES National Project Support

The project titled “*Oncology Pharmacy: Current Approaches and Case Analysis from a Clinical Pharmacy Perspective,*” carried out by the “PharmAydın” Student Club, has been awarded national project support under the University Student Communities Cooperation and Support Program (UNIDES), conducted by the General Directorate of Youth Services under the Ministry of Youth and Sports of the Republic of Türkiye. Within the scope of this project, it is aimed to enhance pharmacy students’ knowledge and awareness in the field of oncology through conferences, surveys, and case-based workshops to be organized. On this occasion, we congratulate the PharmAydın Club for receiving the 2026 UNIDES project support, along with their academic advisors Prof. Dr. Sevgi Karakuş and Assist. Prof. Dr. Cem Erkmen, and we also extend our appreciation to Assist. Prof. Dr. Özgül Yaman, Dean of Students, for her significant contributions to bringing this project to our University. We wish them continued success.
