Faculty of Applied Sciences held an international webinar on 21.09.2024, moderated by Prof. Dr. Ali OKATAN.

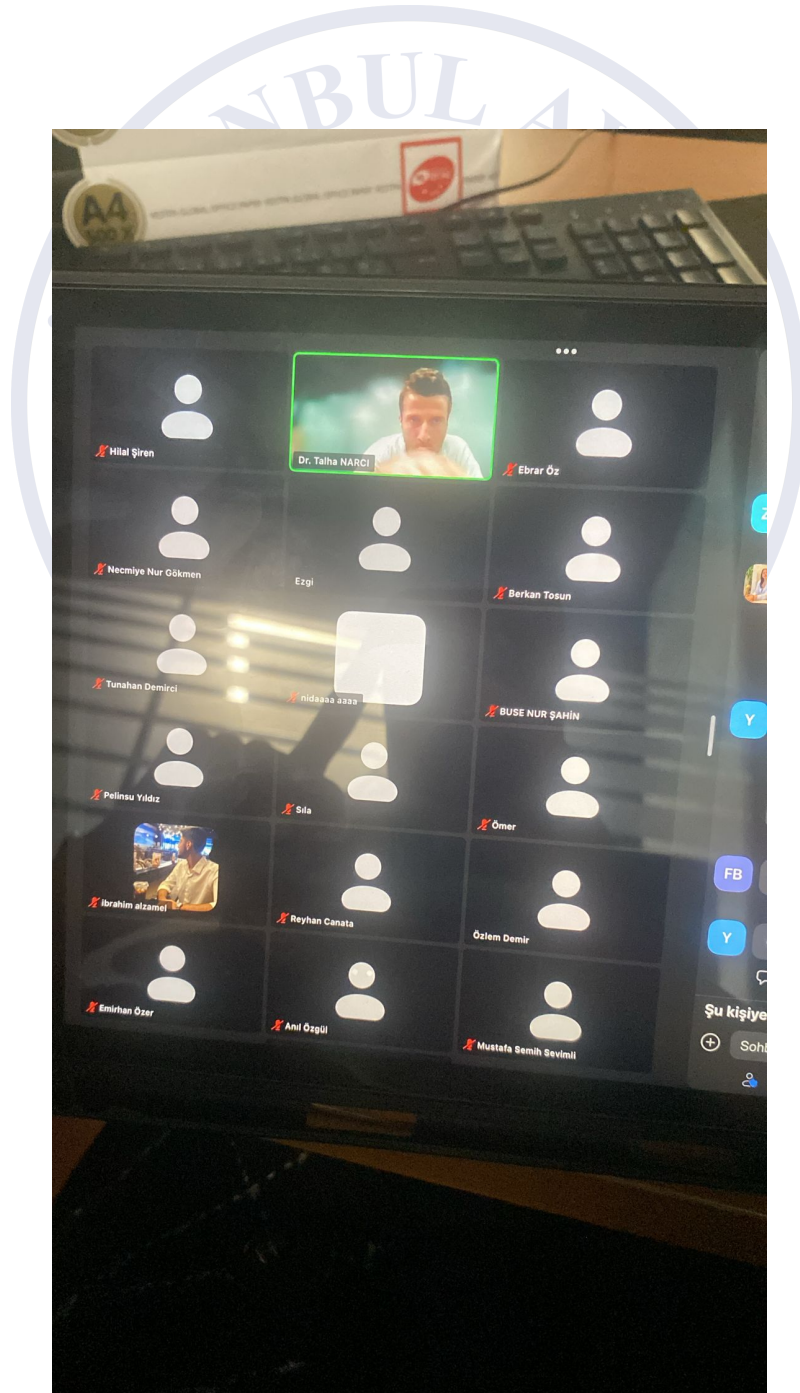

The article titled "Dynamical Analysis and Solutions of Nonlinear Difference Equations of Thirty Order" by Prof. Dr. Ali GÜNEŞ, has been published in the "Universal Journal of Mathematics and Applications". We congratulate our professor and wish him continued success.

At the beginning of the 2024-2025 academic year, As the Faculty of Applied Sciences, an orientation study for the first year students of all departments is organized by the department heads.

Information was provided about the department and curriculum, and the UBIS system was introduced.

Information was provided about our university, student clubs and other facilities. The undergraduate education-training regulations were detailed; explanations were made about the functioning of the courses, evaluation criteria, exams and grading system.

Our first event of the 2024-2025 Academic Year, the “Sustainability Workshops” Seminar, was held with all our faculty members and students on Friday, 11.10.2024 at 13.30 in the D Block Orange Hall.

The poster is green with white and yellow text. At the top, it features the logos of Istanbul Aydın University, AKEV, and the Sustainability Coordinator Office. The main title is 'Sürdürülebilirlik Atölyeleri Semineri'. Below the title, there is a circular image of a man presenting to a woman. To the right is a circular portrait of Ahmet Cömert. The event details are listed on the left: 11 Ekim 2024, 13:30, and D Blok Turuncu Salon. At the bottom, there are logos for Vesil Vatan Platformu, CEVSAM, and the Faculty of Applied Sciences and Faculty of Economics and Administrative Sciences.
