CONTENTS

- Conference – Training within the scope of the “Delightful Spring School”
- Article – Publication of the article titled "On the Application of the Averaging Method to One Problem of Optimal Control With Non-Fixed Time ”
- Meeting – “Collaboration Protocol” with Tuzla District National Education Directorate covering education, science, arts, sports, and cultural fields
- Seminar – Department Introduction Seminars for students
- Meeting – Academic evaluation meeting
- Conference – Participation in Career Day, university and vocational promotion days
- Project – Projects accepted under TUBITAK 2209 A.

Associate Dean of the Faculty of Applied Sciences, Assoc. Prof. Dr. Burçin Kaplan, provided a week-long training to a group of 50 participants—including students, academic staff, and administrative personnel from various departments—who came from Croatia, Belgium, China, Romania, and Kazakhstan as part of the "Delightful Spring School" program.

The article titled *"On the Application of the Averaging Method to One Problem of Optimal Control with Nonfixed Time"* by Assist. Prof. Dr. Burak Oğul, faculty member of the Department of Management Information Systems at the Faculty of Applied Sciences, has been published in the *Ukrainian Mathematical Journal*, which is indexed in Sci-Exp. (Q3) and hosted on the Springer Nature platform.

The "Cooperation Protocol" covering the fields of education, science, art, sports, and culture between Istanbul Aydın University and the Tuzla District Directorate of National Education was officially enacted with the signatures of our Dean of the Faculty of Applied Sciences, Prof. Dr. Meltem NURTANIŞ VELİOĞLU, and Tuzla District Director of National Education, Mr. Metin ÇANGIR.

Assist. Prof. Dr. Talha Narci, Head of the Department of Management Information Systems at the Faculty of Applied Sciences, participated as a speaker in the "Department Introduction Seminars for Students."
