

Institute Director's Message

Dear Students,

The Fall term of the 2024-2025 academic year will begin on October 7, 2024. On behalf of our Institute, I would like to extend a warm welcome to all the students enrolled in the master's and PhD programs offered by the academic departments affiliated with our Institute, and I congratulate you on your achievements. I wish you a healthy and productive academic year in every respect.

Since its establishment, our university has graduated a total of 7,705 postgraduate students over the course of 21 years, contributing to both academia and industry. As an institute, we continue to advance with a mission to enhance the research potential of our country and promote interdisciplinary studies, aiming to increase its international competitiveness.

You can find all the information you need regarding your postgraduate education processes on our Institute's website. All students enrolled in our postgraduate programs are subject to the Graduate Education, Training, and Examination Regulations of Istanbul Aydin University, as well as the University's guidelines. These regulations and guidelines are available on our website under the "Student" section. By carefully reviewing the regulations and guidelines, regularly checking your email addresses (with the "stu.aydin.edu.tr" domain), and keeping up to date with announcements via UBIS or the website, we guarantee you will experience a smooth academic year.

With our high-quality academic infrastructure and commitment to scientific responsibility and ethical values, I wish you success in your research, which will contribute to meeting the needs of both our country and the world. I firmly believe that, through these research endeavors, we will collectively elevate our country to a leading position in the fields of health, social, and natural sciences. Once again, I welcome you to our community and extend my best wishes for a postgraduate journey that will bring added value to both you and our country.

Best wishes,

Prof. Dr. Ragıp Kutay KARACA
Institute Director
