Understanding Student Profiles

Recognizes that students vary in their abilities and learning styles and adapts assessment accordingly to support their unique strengths and areas for growth.

- Previous Learning:** What students have learned before.
- Readiness:** Language, knowledge, and cognitive skills.
- Learning Styles:** How students prefer to learn.
- Academic Standing:** Current performance levels.
- Abilities:** Skills and talents students possess.
- Strengths and Weaknesses:** Areas of excellence and areas needing support.
- Culture and Backgrounds:** Consideration of diverse backgrounds.

• Teachers continuously gather data to understand students' needs and strengths.
