Turkish-Arab Universities Conference - 2018

«AL-KITAB UNIVERSITY COLLEGE»

An Overview

Dr. Nasrat A. Madah
Dean Assistance for Scientific
Affairs

Establishment

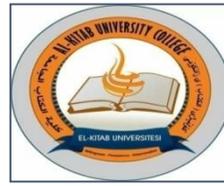

Al-Kitab University College was established in the year 2012.

The study started practically in the academic year 2012- 2013 with three Departments, namely:

Department of Law,

Department of Computer Technical Engineering,

Department of Financial and Banking Sciences.

انجاء الجامعات العربية

Moving Faster

In the present academic year 2017-2018, more seven Departments have joined the College:

Dept. of Pharmacy

Dept. of Biomedical Technology

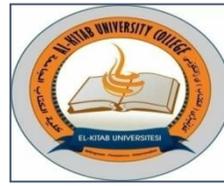

Dept. of Radiation and Sonography

Dept. of Anesthesia

Dept. of Surveying Engineering

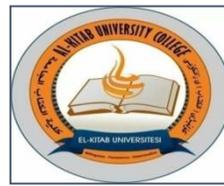

Dept. of Optical Technology

Dept. of Nursing

Our Vision

Al-Kitab University College aspires to be one of the pioneering universities in Iraq, the Middle East and the world through having distinguished international study programs and comprehensive academic teaching methods. The college is also keen on developing and growing in the future.

Our Plans

The College is working hard to:

- * **Build a Teaching Hospital to serve the nearby city**
- * **Open a Scientific Research Centre**
- * **Gain the ISO certificate**
- * **Establish an international IT centre**
- * **Get memberships in many world universities associations among which the Arab Universities League**
- * **Enter the world ranking**
- * **Have a twin agreement with an international University**

*Thank
you*
