The International Affairs Office (IAO)

- IAO is the official administrative department within MEU that is responsible for the development and execution of the university's international policies that aim to globalize the role of higher education experience within the Hashemite Kingdom, and have it permeate across all aspects of the University.
- IAO strives to enhance MEU's global standing through building partnerships with:
 - Premier academic institutions
 - Government
 - Embassies
 - International organizations
 - Scholarship agencies
- IAO's progress is driven by its new set of strategies which place international relations at the top of its priorities.

The International Affairs Office (IAO)

- Since it was established, IAO has developed several international engagements, and MOU's with many peer institutions which led to collaborative advancements that benefited students, staff and stakeholders in the following areas:
 - **Education**
 - **Research**
 - **Technology**
- Our partners comprise of education leaders from all over the world, with whom share international standards and best practices that strive towards fostering a diverse and balanced culture; one that is based on the cultivation of theoretical and practical based knowledge throughout the University.
- Besides the student exchange program (SEP), IAO also works with MEU faculties on other overseas attachments, including, but not limited to International Summer Programs, International Internships, and International Research Programs.
