Faculty of Education organised a meaningful event for 24 November Teachers' Day. Within the scope of the event, students and academicians of the Faculty of Education visited IAU Acting Rector Prof. Dr. İbrahim Hakkı AYDIN and had a special meeting on this meaningful day.

Students who ranked in #TEKNOFEST2024 were presented their awards with the programme. At the end of the ceremony, Kaan Furkan Çakıroğlu from the PSiKOD team received an award for his MOTO (Mobile Game Therapy Room) and Artificial Intelligence Supported MOTO Portal projects, established with the support of IAU TEKMER and IAU Informatics and Technology Club, and IAU Acting Rector Prof. Dr. İbrahim Hakkı Aydın congratulated our successful student on behalf of the PSiKOD Team.

The opening of the second 'Health in Sports Summit', which was organised in cooperation with Istanbul Aydın University Faculty of Health Sciences and Goataalks, one of the IAU Tekmer entrepreneurs, was held with the participation of Hidayet Türkoğlu, President of the Turkish Basketball Federation, National Basketball Player Semih Erden and valuable guests who are experts in their fields.

At the Future Technologies Summit organised by the Digital Product Development Club, the dancing robot named 'Kurt' received full marks from the audience. Kurt, who fascinated the participants by pushing the limits of technology thanks to its advanced motion algorithms and sensors that can detect and optimise its environment, once again demonstrated the importance our university attaches to innovation!

The Istanbul Aydın University Research-Focused Brainstorming Days event, which was launched to breathe new life into scientific research and innovation, invites participants to generate project ideas, encourage innovation and work solution-oriented beyond the exchange of ideas. Brainstorming Days offers an experience that is not limited to theory in the research process, but adopts the culture of producing creative and applicable projects.
