

Autodesk Educational License

How academic staff can activate Autodesk Education access and obtain licenses for eligible Autodesk products.

Use your institutional account

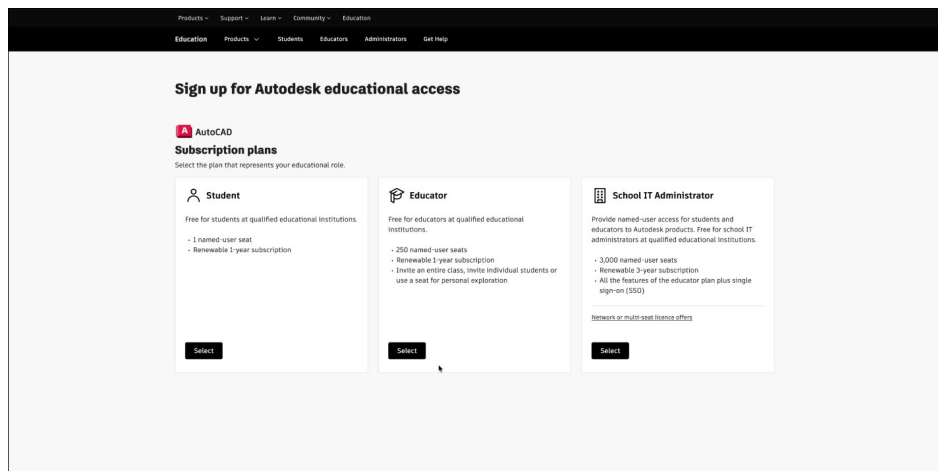

Register with your @aydin.edu.tr e-mail address. Autodesk Education access can then be used to obtain licenses for eligible Autodesk products.

STEP 1

Select Educator

On the Autodesk Education access page, choose the Educator option.

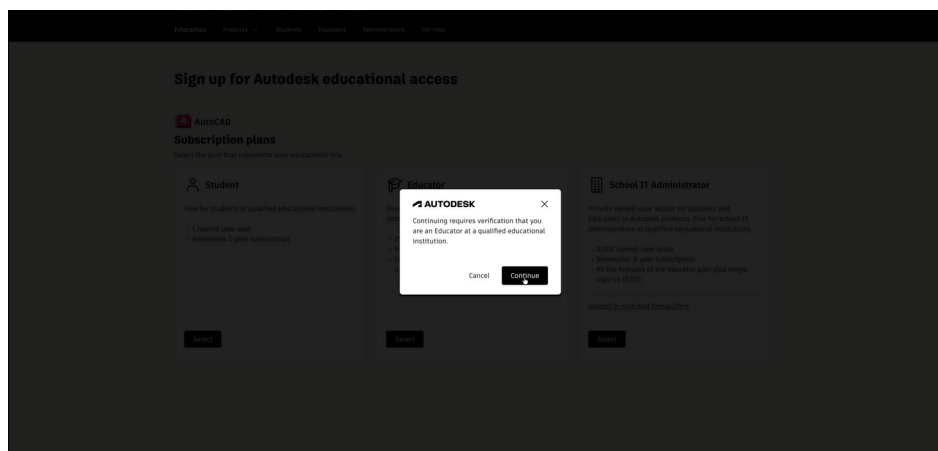

[Autodesk Student Access to Education Downloads](#)

STEP 2

Continue with educator access

Confirm the Autodesk notice and continue to the account information step.

Complete your account details

Enter the requested account and contact information using your institutional details.

STEP 3

Enter your personal information

Use your institutional e-mail address and complete the requested name and role information.
