

Autodesk Educational License

Student guide for Autodesk Education access and licenses for eligible Autodesk products.

Important

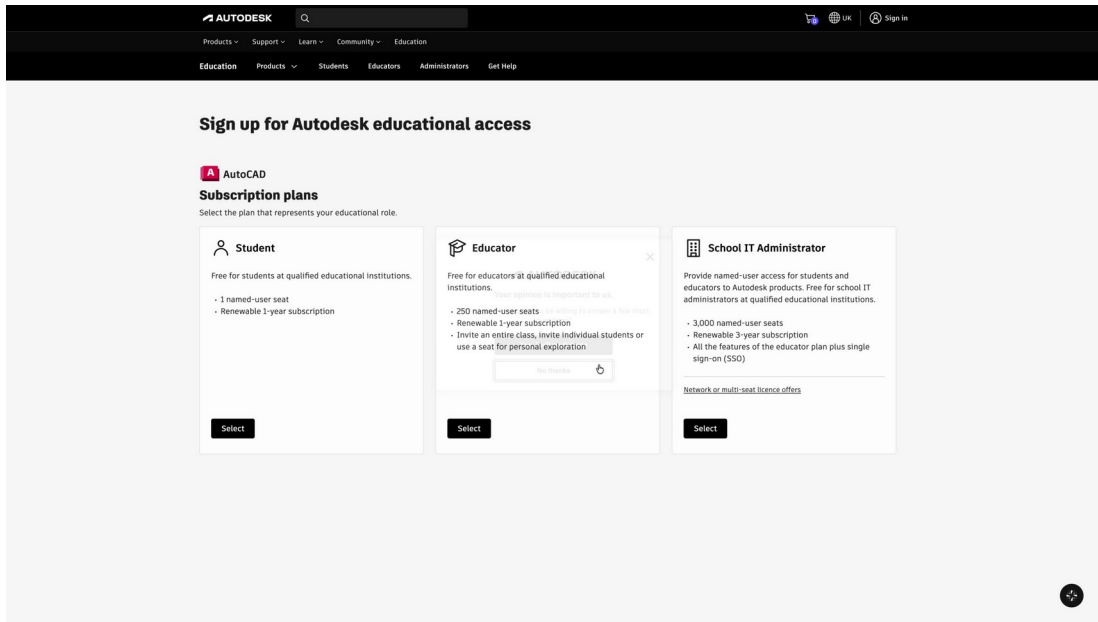

Use your university student e-mail address (@stu.aydin.edu.tr) throughout the process. Autodesk may redirect you to the university SSO during sign-in.

STEP 1

Select Student

On the Autodesk Education page, choose Student as the subscription plan.

STEP 2

Enter your university e-mail

Enter and confirm your university student e-mail address, accept the privacy statement and select Continue.

The screenshot shows the Autodesk Education Access sign-up page. The header includes the Autodesk logo and navigation links for Products, Support, Learn, Community, and Education. The main heading is "Sign up for Autodesk educational access". Below this, a note states: "Provide your email address and proof of active school enrollment. Verification can take up to 48 hours. If you've had educational access to Autodesk products, you must wait one year from the last submission to make a new request." The page is divided into two main sections. The left section, titled "Product details", shows a selection of "AutoCAD" with a quantity of "1". The right section, titled "Subscription summary", shows a "Student subscription" for a "2-year term" with a "Submit" button. Below the product details, the "Customer details" section is titled "Enter account information" and includes a note: "All fields required unless noted." It contains two email address input fields with a warning icon and text: "Email addresses must match. For account confirmation, access, and management of products and services." There is also a checkbox for "I agree to the Autodesk privacy statement" and a "Continue" button at the bottom.

STEP 3

Sign in to Autodesk

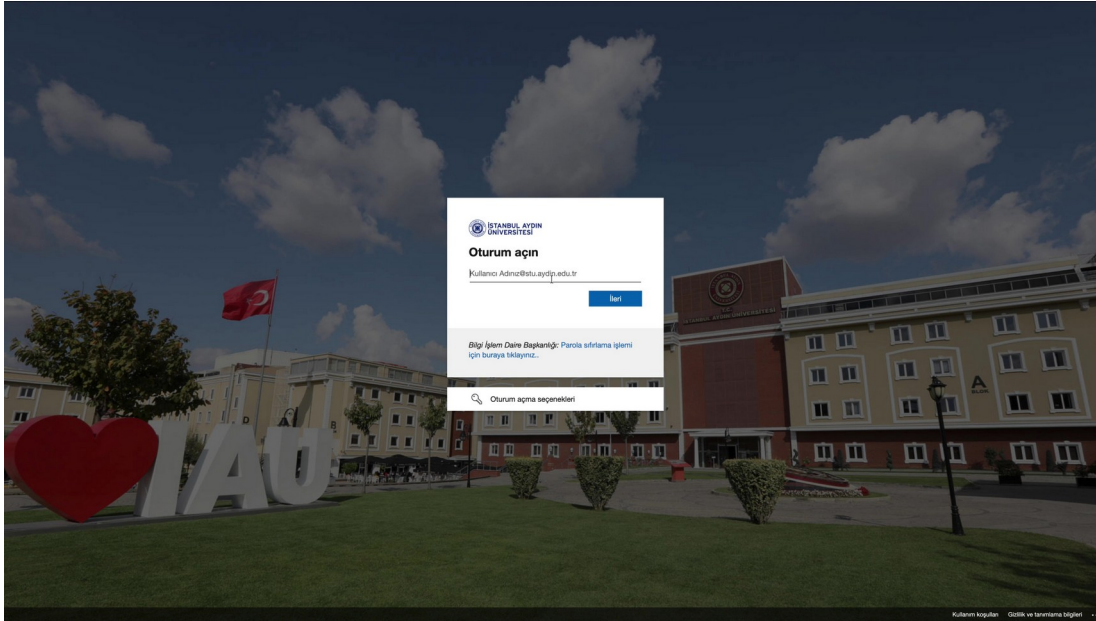

On the Autodesk sign-in page, enter the same student e-mail address and select Next.

The screenshot shows the Autodesk Sign in page. The header includes the Autodesk logo. The main heading is "Sign in" with a link for "New to Autodesk? Create account". Below this is an "Email" input field and a "Next" button. Underneath, there is a section titled "Or:" with four social login options: "Continue with Google", "Continue with Apple", "Continue with Microsoft", and "Continue with Facebook". At the bottom left, there is a link for "Issues on signing in? Get help".

STEP 4

Sign in with University SSO

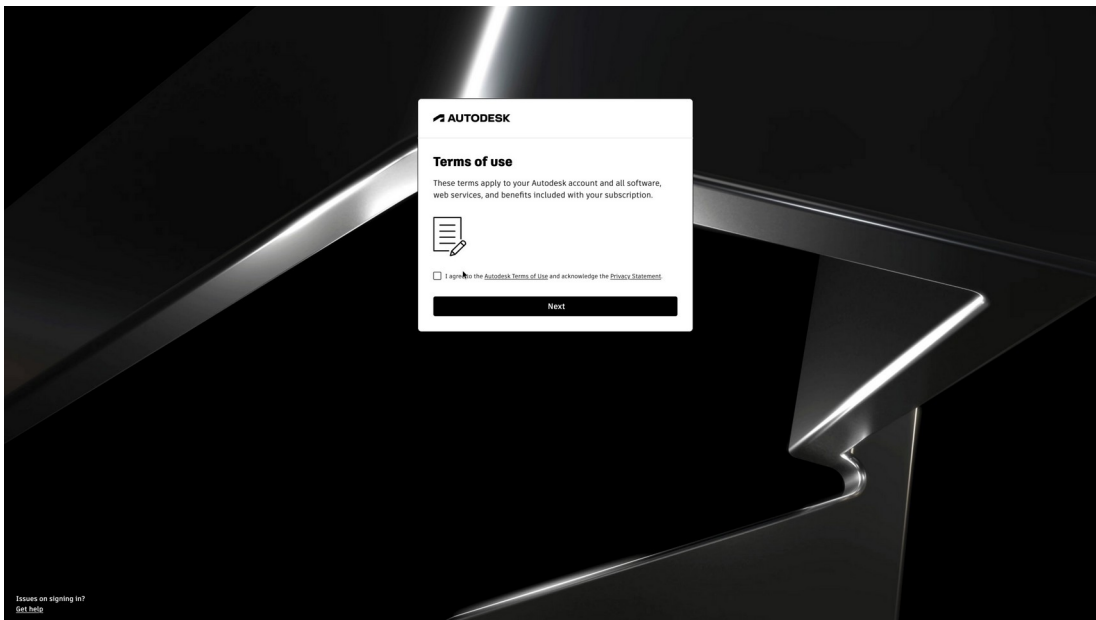

You will be redirected to the Istanbul Aydın University SSO page. Sign in with your university account to continue.

STEP 5

Accept Autodesk Terms of Use

After the SSO sign-in, review the Autodesk Terms of Use, select the agreement checkbox and continue.

STEP 6

Complete customer details

Return to the Education form and complete the requested account/customer information.
