OUR EXAM DAYS

End-of-Term and Turkish Proficiency Exams, which constitute an important part of our Turkish language teaching process. Our students' language skills are being evaluated. Students who succeed in the exams conducted in listening, speaking, reading, and writing areas demonstrate their Turkish proficiency. They are entitled to receive certificates documenting their achievements. We congratulate all our students who have successfully completed their learning processes and passed this important stage; we hope that their acquired Turkish language knowledge and skills will be beneficial in their academic, We hope it will offer them new opportunities.

İSTANBUL AYDIN UNIVERSITY**TURKISH LANGUAGE TEACHING APPLICATION AND RESEARCH CENTER****OUR COURSES**

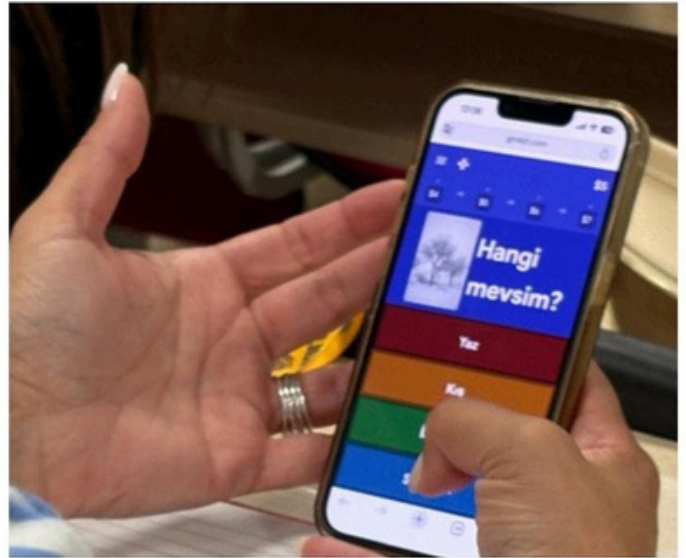

Our Turkish language courses offer both in-person and online options to accommodate our students' diverse learning st.It is conducted in accordance with their needs.

With the guidance of our expert faculty members.In the lessons conducted, up-to-date methods and materials that support the active participation of students are utilized. Thus, our students learn Turkish in both daily and academic an opportunity to get to know Turkish culture closely while gaining skills to use effectively in life It finds.

OUR CINEMA EVENT

Our students had an enjoyable day at the cinema event organized with the participation of faculty members. Our students, who had the opportunity to come together outside the classroom, socialized by watching a film together and also had the chance to use Turkish in anatural communication environment. This gathering, which supported the education process with social and cultural activities, turned into beautiful.
