OUR EXAM DAYS

As Istanbul Aydın University TÖMER, we support our students in their Turkish language learning process. We assess their progress through End-of-Course and Turkish Proficiency Exams covering the four core language skills. Students who perform well on these exams are entitled to receive certificates documenting their Turkish language proficiency.

We congratulate all our students who have successfully completed this important stage and wish that the language skills they have acquired will open new opportunities in their academic, professional and social live

OUR NEWLY OPENED CLASSES

With the opening of new classes at Istanbul Aydÿn University TÖMER, we have begun anew era in the journey of learning Turkish. Students from different countries have come together in a dynamic educational environment that supports intercultural interaction while improving their Turkish language skills under the guidance of our experienced instructors. We are delighted to share the excitement of this new term with our students and instructors, and we wish all our students a productive educational process full of success and new experiences.

OUR BREAKFAST EVENT

We held an enjoyable breakfast event, bringing together students from various proficiency levels in a setting outside the classroom. This gathering provided an opportunity for our students to actively use Turkish in their daily lives, fostering a warm and welcoming environment where different cultures could connect. Throughout the breakfast, students had the chance to converse with one another and refine their Turkish communication skills in a natural setting. By highlighting cultural exchange and social interaction, the event not only strengthened friendships among our students but also enriched their learning journey. These pleasant moments spent together proved to be a wonderful and memorable experience for everyone involved.
