NOTIFICATION IN RESPECT OF SUSPENDING REGISTRATION FOR
2019-2020 ACADEMIC YEAR SPRING SEMESTER

Dear Students,

Certain determinations below related to registration suspending procedures have been made in accordance with the article coming from YOK, dated 31.03.2020 and numbered 75850160-104.01.02.04-E.24625.

- 1- For 2019-2020 Spring semester, registrations can be suspended at the request of the students.
- 2- In addition to this, for the students who are at the dissertation stage;
 - a) If thesis topics of the students in dissertation stage are convenient and qualified in terms of distance education, whether the students are going to make use of the study suspension will be considered by university executive board consulting the students' thesis supervisors' opinions.
 - b) Within this period, students, whose semesters/programs are nearly expired (for the graduate student, who are registered for non-thesis master's degree programs, it is third semester; for the students, who are registered for the master's program with thesis, it is counted sixth semester; and it is counted twelfth semester for the PhD students.) will be given extension based on the certain break given by executive board.

- c) Thesis submissions, thesis defenses and PhD qualifying exams can be held on-line on condition that these events must be held in a controllable environment and be recorded surely. Nevertheless, the advantage can be taken in the case of suspending study or postponing initiatives.
- 3- It has been decided that these determinations will be limited to 2019-2020 academic year spring semester.
- 4- Requests for study suspension are supposed to be sent with the related petition via e-mail (iauenstitu@aydin.edu.tr) until 17.04.2020.
