## 2. International Resilience Congress

We have completed the September studies of the 2nd International Resilience Congress, which we support as Istanbul Aydın University Disaster Training Application and Research Center and will be held online between 13 - 15 October 2020 under the coordination of Eskişehir Technical University. These studies to be carried out within the scope of the congress were made by Istanbul Aydın University Disaster Training Application and Research Center Coordinator Serhat Yılmaz, Yıldız Technical University Natural Sciences Research Center President Prof. Dr. Şükrü Ersoy, Bezmîâlem Vakıf University Disaster Management Department Head Dr. Lecturer Özcan Erdoğan and UMKEDER Founding Member Dr. Lecturer It was completed by the working group formed by Yesim Unal.

Within the scope of the congress, the working group planned two separate panels under the heading of Marmara Region Earthquake Preparedness and the Importance of Education in Disaster Preparedness at Early Years.

Researchers who want to present papers at the congress, which will be held online between 13 - 15 October 2020, can submit their study abstracts via <http://www.idrcongress.org/ozetgonderimi>.

## AFAM activities took place in the national press as news

As Istanbul Aydın University Disaster Training Application and Research Center, after the earthquakes that took place in Niğde on September 19, 2020 and in Istanbul on September 24, 2020, we made evaluations on many national news channels in order to inform the public.
